## 2<sup>nd</sup> May – The Fifth Sunday of Easter

### HEADLINES

**We are now opening our churches to regular worship in phases.** Today, we restart Sunday morning worship at both our churches – 09.15 at St John’s and 11.00 at Christ Church. On **Sunday, 16<sup>th</sup> May** we will restart the 08.00 service in Christ Church and, on **Sunday, 30<sup>th</sup> May** we will start an evening service in St John’s at 18.00. The new camera system in Christ Church is now operational. For technical reasons, the service on Sunday will not be ‘streamed’ (shown live) but will be recorded and uploaded to the [Parish’s YouTube channel](#) a little while after the service has finished. **Please note that everyone attending the service will potentially be on the recording. Please let the stewards know if this is a problem as some seats will not appear on the video.**

**Please be careful as we restart our services in church.** Sadly, despite the good progress on vaccinations and the reduction in actual cases, the virus has not gone away and new variants are appearing. It would be all too easy for us to go back immediately to the pre-Covid practice of meeting and chatting both before and after services – and we hope that we will soon be permitted to do just that. However, for the moment, we need to adhere to the distancing, sanitising and track & trace registration procedures we had last time the churches were open. Please follow the stewards’ instructions and please do not congregate just outside the church at the end of the services.

**We are also restarting our Book Club and ‘coffee and conversation’ sessions.** See below for details.

**The priesting of Belinda.** The Ordination of Rev’d Belinda Huxtable to the Priesthood will take place at Christ Church on 26<sup>th</sup> June (**note change of date**). More details to follow.

**Holy Land Pilgrimage.** Last year’s planned pilgrimage had to be cancelled because of the pandemic. Vicki is now organising a new one for October 2022 – see the flyer overleaf and the detailed itinerary circulated with the Newsletter email.

### Parish Hall at St John's, Danescourt:

The Parish Hall is a major resource for the parish and for the community in Danescourt. It not only plays a significant role in the engagement of the church with the community, it also makes a very significant contribution to the parish finances without which we would face considerable challenges to our mission.

In a 'normal' year the Hall is occupied for approaching 40 hours a week by 15 different regular users comprising local groups, clubs and classes. In addition to these there are one-off bookings for parties and other events.

Hitherto the Hall has been managed in its entirety by one person – most recently Malcolm May. Malcolm now wishes to stand down. It is accepted that managing all aspects of the Hall – both bookings and maintenance – is too large a task for one person, so we intend to move to a new management regime whereby the tasks involved are minimised (through automation and in other ways) and split across a number of individuals.

The Buildings Committee will in future look after all the maintenance aspects of the Hall, so the Parish needs at least one, but ideally more than one, person to take on the role of Bookings Secretary.

From the work that has been done so far, we have identified numerous ways in which this role can be simplified and minimised, and the PCC and Buildings Committee will support any volunteers to make the role as easy to do as possible. They will also be supported by Malcolm during a handover period.

**The Hall is a vital resource for the Parish. Would you be willing to take on this role or at least to share it with one or more people? If so, please speak to Vicki or one of the Wardens.**
