## **Priorities from meeting of June 2007**

### **1 Speeding Issues in Bryn Derwyn**

Both PC Thomas and PCSO Tori Miller have been active along Bryn Derwen and this area remains active. The speeding on Heol Isaf has been drastically curtailed due to the work on sewers.

### **2 Fly Tipping around Morganstown**

Fly Tipping - no further reports of fly tipping in the area have been made. Unfortunately the Fford Las incident was traced to Roath and an empty property.

### **3 Parking and Obstruction Issues in and around Station Road and Windsor Terrace.**

PCSO Miller has issued a number of tickets and warnings to drivers in the Station Road area and there has been some improvement in parking on double yellow lines.
