Youth Annoyance in Radyr & Morganstown.  
Speeding along Heol Isaf.

## You Said, We Did

We have received a number of calls with regards to dogs being walked in local parks, which are not on leads. We would like to remind those owners, that it is their responsibility to ensure the dogs are kept on leads at all times. We would also remind those owners that their dogs mess must be cleared up, as it is an offence to not clear up after your dogs and dispose of appropriately. Dog waste bags can be found at your local library and are free of charge, and bins are provided within the parks. This enforcement is in place for the benefit of the environment and the health of others. Failure to comply with this can result in a fine.
