

Radyr & Morganstown

Your Top Priorities

You've told us your top problem for us to tackle is:

Speeding and parking on Heol Isaf at peak school times

You Said, We Did

Solar powered driver feedback signs have been successfully installed on Heol Isaf. Councillor McKerlich has worked long and hard to get this installed. After a few initial problems, the signs are now working. This will be monitored closely by the Council Highways Department

Your new PCSO Helen Coleman has begun working in Radyr and Morganstown. Along with PC Paul Tebbutt, she has now set up a community involvement event '**CUPPAWITH A COPPER**' at the Police Station, Old Church Rooms, between **11am and 1pm**. All are welcome to come along and meet and support your local community team, have a chat about anything with them and they will even make you a cuppa. Next dates will be Thursday 11th March & 18th March 2010.

YOUTH PACT.

A youth PACT was held at Radyr Comprehensive on Tuesday 2nd February, with great success. Over 28 young people attended the meeting, also in attendance were local youth workers and members of the Community Council. The youth raised issues about the use of the Mosquito at the Spar, CCTV & signs at the skate park and the possibility of having a shelter installed in the area designated for their use. A future meeting is to be arranged.

PACT MEETING – Tuesday 2nd March 2010 at 7pm. The Radyr Old Church Rooms.
